Communicate with Impact

ENGLISH & BUSINESS COMMUNICATION

Introduction

- Brief Introduction
- One interesting thing
- Rate the Communication skill on the scale of 1 to 10 (1 being the least and 10 being the highest and why)

Game 1

- Trainees first write down 2 of their top strengths on their note pad. Thereafter they start meeting people in the group, say Hello with a Handshake and share the 2 strengths. The goal is to find out who all in the group are having similar top 2 strengths just like you. Go on till you find 2 such people in the room.

Learning English

Rule no 1: Stop saying English is hard .Start saying English is **"FUN"**

Rule no. 2: The engine that powers all learning is **"MOTIVATION"**

- ✓ You have to **chase** learning English. There has to be a reason to learn English .That's what will motivate you .
- ✓ Motivation is how deeply you desire **change** . Age does not matter .
- ✓ If you are motivated you will find space ,time ,overcome fear and even laugh at yourself.

Learning English

- Learn English by becoming a baby again (The way you learnt your mother tongue)
- Learn English by “Listening” & “copying”
- Make mistakes to learn English. The more mistakes you make, the faster you learn.
- Make Speaking English a habit.
- Surround yourself with English.

Learning English

- Create an environment where English becomes a part of your **"HABIT".**

How ?

- ✓ Watch cartoons in English
- ✓ Talk to yourself in English
- ✓ Sing in the shower in English
- ✓ Stick English words on your mirror & door

Learning English

People who **TALK** to themselves in English are genius. Its cheapest and most effective way to learn English.

- ✓ Look into the mirror and talk to yourself.
- ✓ Exercise your tongue & lips by speaking in English.
- ✓ Instead of just words learn phrases.
- ✓ Focus on communication first rather than grammar.
- ✓ Speak first ,polish later.

Learning English

- Find a role model who speaks good English.
- When you imitate someone, you start to speak like them. Its called **"SHADOWING"**

- Don't treat English like jail . Make it a game and **PLAY** it everyday.
- Use apps like duolingo, memorize a quiz , play English games online, join speaking challenges online, watch English reels ,but smart ones, gamify your learning ,set goals,

Learning English

- The more English you **"LISTEN",** the more you absorb. It builds your brain's database.
- Be **"CONSISTENT".** Consistency beats Talent ,Memory ,fear. You don't need to be perfect .You just need to show up everyday.
- Mix English with what you love, it becomes a **PASSION** & not punishment.
- Speak now ,don't wait to get fluent.
- No **COMPARISIONS.** Don't make the mistake of comparing yourself to others. Your English journey is unique so compare yourself to what you were yesterday .
- Celebrate your efforts. Be proud of small wins. **Clap for yourself**. Success is not being the best ,it is being better than you were before.

Learning English

- English is the most **powerful tool** to share your dreams with the world.
- World speaks English not because its perfect but because its possible.
- STOP saying , “I can’t” ,START saying, “ I am learning” .
